

BEFORE YOU SUBMIT THE FORM PLEASE READ BELOW

We will complete physical forms for all patients that had a wellness checkup within the year, otherwise an appointment will need to be scheduled.

Forms that ask for heartrate before and after exercise will require a nurse visit appointment.

Please fill out the health history form and send the complete packet back to us. You can do so via fax, attach it through a message on the mobile version of patient portal, email ***to the location your child goes to***, or drop it off to any of our locations.

I have examined the student named on this form and completed the preparticipation physical evaluation. The athlete does not have apparent clinical contraindications to practice and can participate in the sport(s) as outlined on this form. A copy of the physical examination findings are on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the medical eligibility until the problem is resolved and the potential consequences are completely explained to the athlete (and parents or guardians).
